

ADOPT A CHILD

The “Adopt a child” program is your opportunity to be special person to one of our kids. Most of you have read articles telling the difficult background many of our kids come from. When they arrive at Colina they may have never had warm clothes, bed to sleep in and little nutritious food. Even worse than lacking in physical comforts of life, is suffering from physical and mental abuse from parent. In the “Adopt a Child” program you can be that special person to one of our kids. At some time all the Colina children dream of living in a well functioning family. This will only happen for most of them in their adult life when they become parents.
