

Praise and Prayer January 2019

The Colina De Luz family wishes you a very Happy New Year! We pray you and your families had a blessed time celebrating Christ's birth and ringing in the New Year.

We praise God for the tremendous blessings and outpouring of God's love on each of our kids and staff this Holiday season. We were very blessed to spend lots of time together as a big family and enjoy the

many groups that came to share in the festivities. Christmas day was a day filled with great food, great fellowship, beautiful performances from the kids, and lots of love shared between the kids, staff, and their families.

We praise God that after beginning work on the remodeling of the game room in February of last year we were able to unveil it to the kids on Christmas day. They were very blessed to finally see what the

room looked like and all the fun activities it contained. This game room also serves as a study hall, computer lab, and displays all the numerous trophies the children have acquired through their tremendous effort in their sport activities.

We thank God for all the hands and feet that made this remodel possible.

We continue to thank you for your prayers for our granddaughter Daphne. She is progressing well and we ask for continued prayers that it would not return.

Many of you have also been praying for Gracie, the family dog, whom you have been sure to encounter if you have ever visited Colina de Luz in years past. We have had a few scares here and there with her but we praise God she is doing much better and continuing to press on. We thank God for the many blessed and bountiful years we have had with her.

We enter into this new year with many thanks to God for his outpouring of blessings and for each one of you for your prayers and support! Many thanks!
