

Praise and Prayer June 2018

Drakes Personal

Thanks to everyone for your thoughts and prayers for our "Drake Family" as we learned our oldest son's daughter (Daphne) did not have migraines, but a brain tumor. She is still recovering from the surgery which did not show malignancy in the tumor (a real answer to our prayers). We were able to arrive early enough to spend some time with her before the surgery and spend time with the family as we waited to see how we could help. She is now home recovering and began physical therapy as well. She just had a second smaller operation to have stent inserted for drainage. She's making good progress, but please pray for her to have full function on her left side. On June 29th she is scheduled for another MRI and possibly be operated on again directly after the MRI or on July 1st to remove the last two parts of the tumor which we are praying will allow her brain to drain naturally.

Colina de Luz

At Colina all is coming to a close in schools. The grads are getting excited and all the kids are waiting for summer.

Colina will be hosting numerous groups for Outreaches and projects here, as well as a few families who come to help. We're looking forward to a blessed and productive time as we continue progress on the Computer Lab/Study Hall/ Summer Game room.

Please keep this Hill of Light (Colina de Luz) in your prayers as well as our precious 12 year old granddaughter Daphne as she returns to the hospital and hopefully recovers fully and quickly.

We thank God for each and every one of you who have come along side us to help us all help "our" children, who are part of an ever growing Colina family and blessing from above.
