

Praise and Prayer October 2018

Praising God for Bricia (daughter of our director Maria) and her fiancé Carlos who celebrated their engagement in front of us all this past week. His family joined us for a service, as well as a dinner for all the Colina de Luz family to share. It was a really special time, and Bricia and her fiancé are special people. She was actually born while her Mom & Dad worked here, way back in the beginning days...

She is a doctor now and was just recently able to pass one of her biggest exams that will allow her to specialize as a Gynecologist. She helps in our clinic on Saturdays, and when she's not working at the hospital, she is always available to treat the Colina kids and staff.

The wedding is planned for next Summer. Pray for this couple to grow in the Lord, and in their relationship. They have been a great role model for our kids.

On a personal note: Thank you for your prayers for our granddaughter Daphne. Her doctor said that of the fourteen kids that had brain surgery that Daphne has recovered the best. She has gained weight and should be able to resume sports at the beginning of January. God answers prayer! Thanks also for each and every one of you who pray for our/His Colina de Luz Family. Although some days being in our 70's changes what we can do, (or remember to do!), not a day goes by that we aren't blessed to be part of the lives of some very precious children.

Your prayers, participation, and a big helping of God's grace make it all possible.

Many thanks in Him!
