Revised 07-03-10

1. Follow the I-15 South to the 805 South, exit Bonita St./E St. exit right, turn right into Burger King-Mexican Insurance parking lot. THIS is the last stop before crossing the Border -OR- from the 5 freeway- instant Mexican Auto Insurance- 223 Via De San Ysidro, # 619-428-3583.
Be sure to buy Mexican Insurance!
Reset your odometer to 0 at the border to keep track of your miles and follow the white arrows.
2. Shortly after crossing the Border and Secondary Inspection begin merging to the right. You will pass the Aero Puerto exit; you will exit on the next off ramp at the top of the hill for Rosarito/Ensenada. Merge on the highway and begin going up the hill. The border fence is on your right.
3. At 4.5 miles there is a sign for the turn-off to Playas / Rosarito / Ensenada, DO NOT TAKE THIS EXIT. Continue going straight following the sign to La Mesa / Tecate / Mexicali.
4. At 10.3 miles from the border, take the turn-off on the right for Rosarito/ Ensenada.
5. Stay in the right lane. After .7 of a mile is the La Gloria off ramp (11 mi). This off ramp will curve to the left as it takes you up over the highway and into our community of La Gloria. Turn left at the PEMEX station.
6. Go .5 of a mile just past the diagonal speed bump and turn right on the cement street right (12.8 mi). Go a few blocks to the fork in the road and choose the paved road to the left up the hill. Continue up the road as it bends to the right. You will pass through some tract homes, continue straight to the end and turn left. You see a large archway, that says "Colina De Luz". Welcome to our home!
7. Please park on the gravel near the first white building to the left. This is our office; please make sure we know you've arrived. If there are several vehicles with you, please continue past the first building and park on the other side of the dirt soccer field in front of the brick wall. We hope your visit is a blessed one.
8. To return, go back the way you came, following the gray arrows on the map. Be careful of the Highway traffic on your left, as you merge onto the highway!
